## Service 1: Receiving Inventory

Unit cost to receive, unbox, inspect (external), inventory and rebox. (see price of boxes below if we need to rebox in new boxes).

Receiving without item handling (when guidelines are followed*)	Free
Receiving when guidelines are NOT followed	\$5 per box   \$10 per pallet
Palletizing at receiving (build pallet, packing, shrink wrapping, pallet labels)	\$20 / Pallet
Receiving with unit count	\$0.10 / unit
Unit count, inspection and reboxing   Standard	\$0.50 / Unit
Unit count, inspection and reboxing   Oversized**	\$0.65 / Unit

### \*Free receiving | Good Faith receiving | Receiving Guidelines

Receiving is free when you follow our receiving guidelines by making sure all different SKUs are identified and separated with a detailed packing slip provided with the shipment showing item description, SKU# and quantity. Our receiving process is referred to as good faith receiving

which means that we assume that the quantity of SKUs listed on the packing slip is identical to the quantity present in the shipment.

**\*\*Oversized Products**

We use the same standard that Amazon uses with its FBA program. Any unit exceeding 18 inches on its longest side or greater than 20 pounds in weight will be considered oversized.
